

MESSAGE TO THE FOOD THIEF!

I hope you've had fun STEALING my lunch food! I hope that the APPLES were juicy – and that the SWANSON MICROWAVE MAC & CHEESES were plenty creamy. And I hope that the DANNON YOGURTS helped your yeast infection, and that the KRAFT PEPPERCORN RANCH DRESSING was all super-zesty. Oh yeah, and let's not forget the like 200 DIET COKES of mine you drank. I hope they quenched your vulture-like thirst!

But now, most of all, I hope you have fun enjoying them all AGAIN, now that I've smeared EVERYTHING in this fridge with loads and loads of my own ASS GREASE!

Yours Truly,

- Fed Up
